Product Code: BP012

Warning

PROCESS STAGE	POTENTIAL RISK	CONTROL MEASURES	ACTION REQUIRED
DELIVERY			
Packaged in plastic-coated cardboard containers with a snug-fitting lid. Containers incorporate plastic strap-handle for carriage.	Risk of spillage if the container is dropped. Risk of injury to user if dropped.	Trained employees should handle only single containers at any given time. Take care not to drop the containers. Ensure that the cap is secure at all times.	Transfer containers to store immediately following delivery. Do not leave containers in areas where users of the building will come into contact with them.
STORAGE			
Containers must be stored upright in a cool, dry storage area. Product must be kept stored in its original container.	Minimal risk of spillage if lids are firmly in place. Lids are not child proof.	Keep containers in secure storage areas. Store all containers below waist height to minimise risk of dropping and make handling easier. Restrict access to storage areas to authorised personnel.	Use oldest stock first. Make regular checks to ensure that storage area is clean and tidy. Make regular checks to ensure that containers are not damaged or split.
USAGE			
Product can be dispensed into a feed tray of an automatic washing machine using a measuring cup.	Risk of eye contact. Risk of skin contact. Risk of ingestion.	Handle the containers with care. Ensure that the container is returned to store when not in use. Always read the manufacturer's instructions prior to use.	Provide employees with PPE as follows: • PVC or Rubber gloves Ensure that operatives are aware of location of First Aid facilities and personnel.
DISPOSAL			
Residual stocks may be disposed of into a foul sewer (sluice) using plenty of water. Recycle all containers wherever facilities are available.	Small risk of skin or eye contact. Risk of contamination with other substances.	Do not store any other material in the empty container. Ensure that the product is exhausted before disposal. Ensure that the product is not disposed of via a rainwater sewer (i.e. drain outside the building)	Ensure that all operatives wear Personal Protective Equipment at all times during disposal.
