Section 4 First aid measures

4.1 Description of first aid measures:

Inhalation:	If fumes, aerosols or combustion products are inhaled, removed from contaminated area. Other measures are usually unnecessary
Skin contact:	If skin contact occurs, immediately remove all contaminated clothing, including footwear. Flush skin and hair with running water (and soap if available). Seek medical attention in event of irritation.
Eyes contact:	If this product comes in contact with eyes, immediately hold eyelids apart and flush the eye continuously with running water. Ensure complete irrigation of the eye by keeping eyelids apart and away from eye and moving the eyelids by occasionally lifting the upper and lower lids. Continue flushing until advised to stop by the Poisons information Center of a doctor, or for at least 15 minutes. Transport to hospital or doctor without delay. Removal of contact lenses after an eye injury should only be undertaken by skilled personnel.
Ingestion:	Immediately give a glass of water. First aid is not generally required. If in doubt, contact a poisons information center or a doctor

4.2 Most important symptoms and effects, both acute and delayed:

See Section 11

4.3 Indication of any immediate medical attention and special treatment needed:

Treat symptomatically

Engineering controls are used to remove a hazard or place a barrier between the worker and the hazard. Well-designed engineering controls can be highly effective in protecting workers and will typically be independent of worker interactions to provide this level of protection.

8.2.2 Individual protection measures, such as personal protective equipment:

Eye/face protection:

Safety glasses with side shields; chemical goggles.

Hands/feet protection:

Wear chemical protective gloves, e.g. PVC. Wear safety footwear or safety gumboots, e.g. Rubber.

NOTE: The material may product skin sensitization in predisposed individuals. Care must be taken, when removing gloves and protective equipment, to avoid all possible skin contact.

Body protection:

See other protection below
